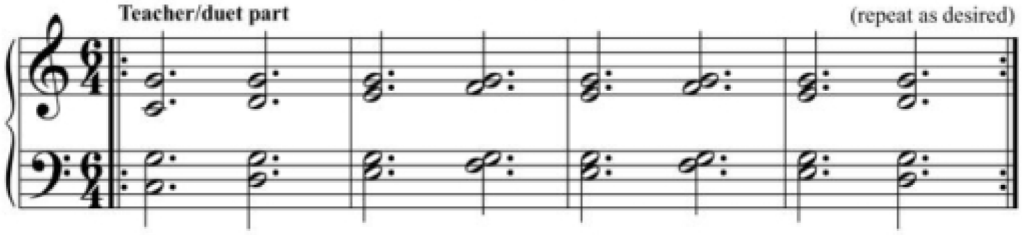
SAMPLE

Improv time!

For **Improv Time** in each key, students can improvise and noodle around with the pentascale as the teacher repeats the duet part several times. Try up an octave, or down an octave, or switch places on the piano. However you arrange it, have fun!



Chipmunks are small, striped squirrels with furry tails.
They store and carry food in their large cheek pouches.
They live all over the zoo in underground burrows.
